

## Münchener Hypothekenbank – how to get there

→ Access to the underground car park

● Main entrance

## Directions to our Bank

### By car

Simply follow the signs “Zentrum/Stadtmitte” from all directions. Once you are in the inner city just follow the “Altstadtring” to Karl-Scharnagl-Ring (a section of the Altstadtring) where the MünchenerHyp is located. This is the most direct route to our office.

If you wish to park in our underground parking area you should turn into Sigmundstraße from Karl-Scharnagl-Ring and then turn right on to Seitzstraße. The entrance to our underground parking area is located at the end of Seitzstraße on the right side.

### Public transportation

Travel by U-Bahn (underground tram) or S-Bahn (commuter train) is the best way.  
U-Bahn trains: U3/U4/U5/U6 to the Odeonsplatz stop, U4/U5 to the Lehel stop, too.  
S-Bahn trains: S1 to S8 trains to the Isartor.
