MünchenerHyp voted best Pfandbrief bank 2014

Munich, June 27, 2014 – Münchener Hypothekenbank eG continues to enjoy a very good standing among its investors as reflected by the results of the “Best Borrowers Survey 2014,” a global survey conducted by “Euromoney”, a British trade publication. The results of the survey of major customers of banks around the world ranked MünchenerHyp together with DNB, a Norwegian bank, as number one in the category “Covered Bonds & Pfandbriefe.” Both of the winners received far more votes than the third-ranked bank. MünchenerHyp came in third in the previous year’s survey.

“This outstanding result confirms MünchenerHyp’s high reputation among its investors. We are very pleased that we are perceived internationally as a solid and service-oriented issuer. We want to further perfect our high standards of customer care and service, said Dr. Louis Hagen, Spokesman for the Münchener Hypothekenbank’s Board of Management.
